

TATTERSALL: THE SPIRIT OF MINNESOTA

Uncompromised spirits start with the best ingredients available. And that means having a strong relationship with our farm partners, like Jerome. He grows the organic corn for Tattersall Organic Vodka on Four Sisters Farm in Rochester, Minnesota. He also happens to be our head distiller's father-in-law.

Dale grows the rye for Tattersall Straight Rye Whiskey in Cambridge, Minnesota. Our barrels come from Black Swan Cooperage in Park Rapids, apples from Breezy Hill Organic Orchard — we could go on all day, but you've got a plane to catch.

TASTE ALWAYS WINS

Our uncompromising commitment to the best pays off. We're proud to be Minnesota's most awarded distillery, including Best of Class and Double Gold awards from the San Francisco World Spirits Competition, American Craft Spirits Association, American Distilling Institute and many, many more.

TATTERSALL RYE WHISKEY

Perfect for rye purists, distilled from 100% Minnesota rye, grown and harvested 50 miles north of the distillery and aged in MN white oak for over 2 years.

TATTERSALL ORGANIC VODKA

Minnesota grown, milled and distilled. Made from USDA organic corn grown on Four Sisters Farm in Rochester and distilled six times to perfection.

TATTERSALL GIN

Made with 22 carefully selected botanicals. Bright citrus nose with a perfectly balanced finish – it’s our flagship for a reason.

TATTERSALL BARRELED GIN

Our flagship gin, conditioned in used Chardonnay barrels for an added layer of complexity. The subtle oak and fruit enhance the gin with soft floral notes.

TATTERSALL AQUAVIT

The Scandinavian rival to our gin. Caraway forward with hints of fennel and citrus complemented by oak and earth. There’s a reason our ancestors called it “Water of Life”.

TATTERSALL BARRELED RUM

Tattersall Blackstrap Rum rested in used bourbon barrels. The oak softens the distinctive molasses notes into rich caramel and vanilla undertones.

TATTERSALL AMARO

Made from a complex blend of 26 botanicals. Notes of sasparilla, citrus and earth combine for a truly unique taste. Stimulating, engaging and the perfect nightcap.

TATTERSALL CREME DE CACAO

Light and dark natural cocoas combine with vanilla and supporting spices for an ultra smooth and dangerously drinkable liqueur.

TATTERSALL CREME DE FLEUR

Distilled with seven flowers and post-macerated with additional flowers for a beautifully concentrated flavor and aroma unlike any other.

TATTERSALL GRAPEFRUIT CREMA

Similar to Orange Crema but with grapefruit as the star. Sweet and slightly bitter, it’s a great addition to our arsenal.

TATTERSALL ORANGE CREMA

Made with a complex botanical blend including three types of orange. Smooth with a strong backbone. Perks up just about any cocktail.

TATTERSALL SOUR CHERRY

Crafted with Montmorency cherries and aged in American oak barrels to create the perfect marriage of sweet and sour.

ABOUT TATTERSALL

Childhood buddies Jon Kreidler and Dan Oskey founded Tattersall Distilling in Minneapolis, Minnesota in 2015. They followed different career paths — finance and bartending — but shared similar ambitions and a love for great cocktails. It wasn't long before they decided to build a distillery that embodies their passion for taste and uncompromising commitment to quality.

Today, Tattersall distills an unrivaled lineup of spirits and liqueurs in the Historic Thorp Building — a warehouse that was once a top-secret manufacturing location for the Norden bombsight, a critical wartime instrument in World War II. Every batch is conceived and perfected by an award-winning lineup of some of the best bartenders in the North. You'll find the finished products in liquor stores, bars and restaurants across the state and, of course, their stunning cocktail room. Enjoy Tattersall neat or in your favorite cocktail — and always in good company.

Here's to spirited living!
